Silver Star Best Sherry Wine List

Silver Star Best Medium-Sized Wine List

PHILOSOPHY

“Including, Contemporary, Romantic Gastronomy”.

The words are Daniel Högländer & Niclas Jönssons, the chefs behind the restaurant at Hotel Villa Dagmar, and it has become the DNA of all our restaurants. I've been working with these great chefs for 7 years by now and I've become a part of this DNA. The wine list you're holding in your hand is a huge part of me, and therefore also all of the including, contemporary and romantic gastronomy.

In many ways, the fantastic world of grapes and wine reflects the same things. It is Contemporary, constantly changing and constantly being used in new creative ways to pair food, occasion and now even music or art.

It is definitely Romantic, the wine world in itself and the different moments in our lives we choose to complete with a bottle of wine.

Including? Well in my opinion, that's something we choose. We choose to include, and I have chosen to do so, so if you ask me? Yes! It is including!

Does that mean I won't be excluding anything? Of course not.

I just don't believe in putting wine in different pockets, a great wine is a great wine. The only thing that will be excluded from this list is wine of poor quality, which I understand is a personal judgement.

So what is a great wine to me then?

A great wine to me is a wine that has a clear sense of place, terroir, and a capacity to age and develop for at least ten years.

That wine can be of origin from either Bordeaux in France, Salta in Argentina, Valais in Switzerland or Santorini in Greece.

It can be made in a modern style of Rioja or Piedmont as well as a super traditional one.

It can of course be made with a lot, or no sulphites, I really don't care, as long as the wine in my, and in the end your glass is a wine of great quality.

I call it Including, Contemporary, Romantic Wine List

Cheers,

Rasmus Klintberg, Head Sommelier
